NATIONAL SERVICE SCHEME (NSS)

The **mission of NSS** is to provide a robust platform for students to understand the socio-economic realities of their communities, identify the needs and problems of the people, and involve themselves in problem-solving processes. It aims to instill a sense of social and civic responsibility, develop competence required for group-living and sharing of responsibilities, and help students acquire leadership qualities and a democratic attitude.

The **vision of NSS** is to build a youth-led movement that achieves a just, equitable, and progressive society by transforming student volunteers into responsible citizens who possess a lifelong commitment to community welfare. This long-term vision is encapsulated in the NSS motto, "**Not Me, But You,**" which underlines the belief that the welfare of an individual is ultimately dependent on the welfare of society as a whole.
